

SCANGRIP VEGA

Portable LED work Light with diffuser

SCANGRIP VEGA a new innovative range of LED Floodlights

Range of 3 high quality LED floodlights in cool design offering very powerful light output at an attractive price level.

Powerfull, diffused, large dispersion. Non Blinding Illumination.

Durable housing made of highly shock-resistant plastic material.

Rechargeable version with DUAL 2 in 1 SYSTEM.

For indoor as well as outdoor use.

No fire hazard as LED's do not produce heat makes it the ultimate floodlight in contrary to halogen.

The stand is made of powder coated steel and can be mounted directly on the SCANGRIP TRIPOT.

The VEGA 1500 C+R is with the unique DUAL SYSTEM which means both rechargeable and with 5 meter cable providing complete flexibility and unlimited application possibilities.
