SCANGRIP LED Inspection lights SLIM Series

SLIM 3-in-1 inspection light - work light - torch

The SLIM series LED lights are extremely flexible and multifunctional for all kind of applications.

Extreme powerful illumination up to 500 lumen with a powerful flashlight function.

Ultra-slim and compact design. Strong built-in magnet and hook for flexible positioning.

Choose between 2-light settings (50% and 100%) for maximized operating time.

Rechargeable up to 6 hour operation time.

The ultr-thin, compact design only Ø9mm allows inspection in even the most inaccessible and narrow work areas.

This makes the SLIM lights ideal for vey demanding and difficult inspection jobs. The 2 new SLIM lights are designed with a 100% foldable body. In folded position the SLIM is reduced to pocket size.

The powerful 100 lumen spot light of the SLIM lights provides you with a flashlight when the lamp is folded, providing a powerful flashlight with a sturdy grip.
