

**Crowbars, prybars, bending tools  
Construction ratchets**

Repair Management Nederland B.V.  
More management less firefighting

**Crowbars Hultafors Agdor** made of Swedish quality steel.  
With double curved claw and nail puller.  
Offset 90°  
Agdor is a Hultafors brand.

Number	Size	Weight
250172	300 mm	700 gram
250173	510 mm	950 gram
250174	635 mm	1400 gram
250175	760 mm	2100 gram
250176	900 mm	2750 gram

**Crowbar Elzet edged** 18 mm Steel C45 hardened, with claw and cutting edge.

Number	Size	Weight
250172L	400 mm	1100 gram
250173L	500 mm	1260 gram
250174L	600 mm	1420 gram
250175L	800 mm	1980 gram
250176L	1000 mm	2540 gram

**Crowbar Peddinghaus Gorilla Bar**, Extreme strong crowbar.

Number	Size	Weight
250172P	350 mm	750 gram
250174P	600 mm	1350 gram
250176P	900 mm	2750 gram

**Bending Tool**, chrome-molybdenum- vanadium air hardening steel 59CrV4, nickle plated.  
Carefully hardened and tempered along the full length.

Number	Size
23138400	400 mm

**Rust scrapers**

Number	Description
250225	Without handle 170x90x5mm LxBxD Forged steel
250226	Without handle 200x100x10mm LxBxD Forged steel
250228	Handle for rust scraper 400mm x Ø29mm
250229	Handle for rust scraper 600mm x Ø29mm
250230	Handle for rust scraper 1300mm x Ø29mm
250227	Scraper sharp thin blade 200x125x30mm Without handle
250215	Rust scraper 750mm Forged steel, wooden handle
250216	Rust scraper angle model full steel forged

**Crowbar with straight cutting edge and point**, forged steel diameter 30 mm.

Number	Size
231221000	1000 mm
231221250	1250 mm
231221500	1500 mm
231222000	2000 mm

**Crowbar with curved cutting edge and point**, forged steel diameter 30 mm.

Number	Size
231231000	1000 mm
231231250	1250 mm
231231500	1500 mm
231232000	2000 mm

**Crowbar with claw and point**, forged steel diameter 30 mm.

Number	Size
231241000	1000 mm
231241250	1250 mm
231241500	1500 mm
231242000	2000 mm

**Crowbar with round head and cutting edge**, forged steel heavy duty model diameter 30 mm.

Number	Size
231511500	1500 mm

**Roll crowbar heavy duty, 3 ton** diameter 80 mm steel wheels.

Number	Size
250100	1600 mm

**Pyrbar**, chrome vanadium steel 31CrV3, nickle-plated.

Number	Size
23139400	400 mm

**Universal Pyrbar**, made from special steel. Hardened along the full length, cutting edge polished, with three nail pullers.

Number	Size
23140380	380 mm

**Pyrbar**, chrome-molybdenum-vanadium air hardening steel 45CrMoV7, chromated. Hardened along the full length. With plastic handle. Very robust and resilient.

Number	Size
23141300	300 x 11 mm
23141390	390 x 13 mm
23141600	600 x 20 mm

**Construction ratchet bi-hexagon**, reversible ratchet with two different size heads Bi-hexagon and "rat-tail" handle.

Number	Size
254008	13x17 mm
254009	17x19 mm
254010	19x22 mm
254011	19x24 mm
254012	24x27 mm
254013	24x30 mm
254014	27x32 mm
254015	36x41 mm

254020	1/2" male square
