

Denfoil corner protector for sharp edges and corners
Cable protectors Rubber
Cable protectors recycled plastic Extra Stong

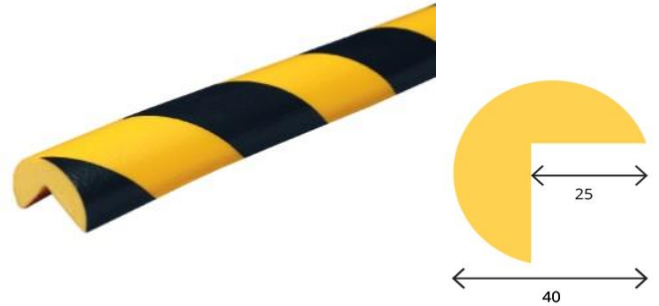

High performance impact protection profiles made of polyurethane
 Temperature resistant from -40°C to +100°C
 Manufactured according to DIN 4102 B2.
 Resistant to solvents, UV-resistant and silicone-free.
 Very flexible due to patented production technology.
 Easy to apply with an adhesive strip on a clean surface.

Type profile A

Round model $\varnothing 40$ mm with an inner corner of 25x25mm
 Colour black/yellow for extra safety.
 Mounting: tape

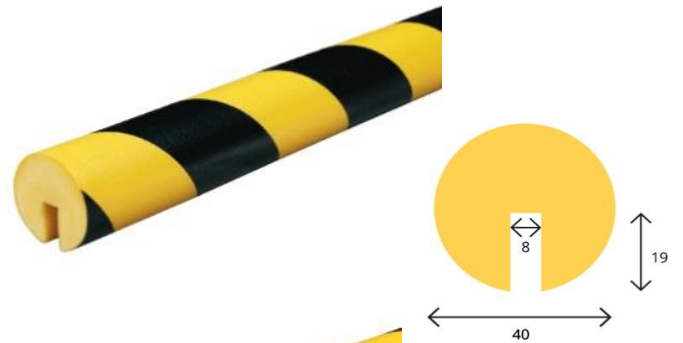

Number	Type
75DF130300M	Profile A length 1 meter
75DF130300G	Profile A length 5 meter

Type profile B

Round model $\varnothing 40$ mm with internal slot of 19x8mm
 Colour black/yellow for extra safety.
 Mounting: tape

Number	Type
75DF130301M	Profile B length 1 meter
75DF130301G	Profile B length 5 meter

Type profiel C

Half-round model H30XB40mm
 Colour black/yellow for extra safety.
 Mounting: tape

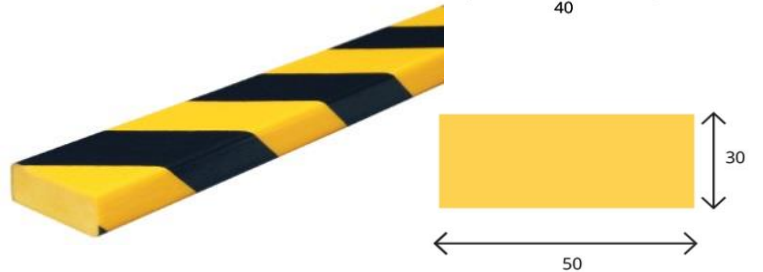

Number	Type
75DF130302M	Profile C length 1 meter
75DF130302G	Profile C length 5 meter

Type profiel D

Flat model H20XB50mm
 Colour black/yellow for extra safety.
 Mounting: tape

Number	Type
75DF130303M	Profile D length 1 meter
75DF130303G	Profile D length 5 meter

Type profiel E

Hoek model 26x26mm dikte 7mm
 Colour black/yellow for extra safety.
 Mounting: tape

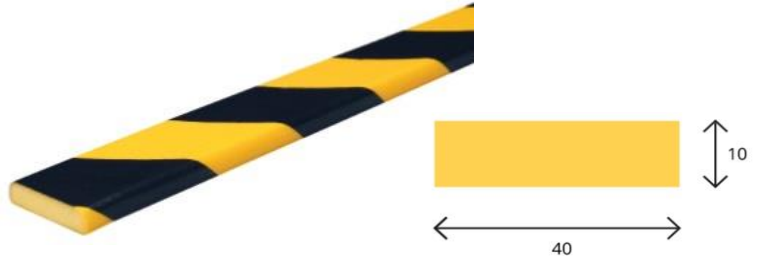

Number	Type
75DF130304M	Profile E length 1 meter
75DF130304G	Profile E length 5 meter

Type profiel F

Hoek model 40x10mm
Colour black/yellow for extra safety.
Mounting: tape

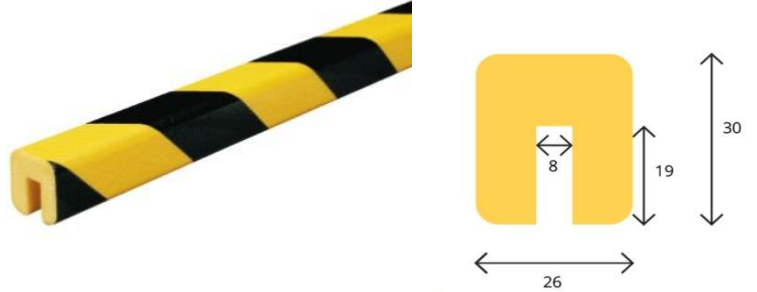

Number	Type
75DF130305M	Profile F length 1 meter
75DF130305G	Profile F length 5 meter

Type profiel G

U profile model 26x30mm BxH, slot 8x19mm BxH
Colour black/yellow for extra safety.
Mounting: tape

Number	Type
75DF130306M	Profile G length 1 meter
75DF130306G	Profile G length 5 meter

Type profiel H

Corner model 47x47mm thickness 12mm
Colour black/yellow for extra safety.
Mounting: tape

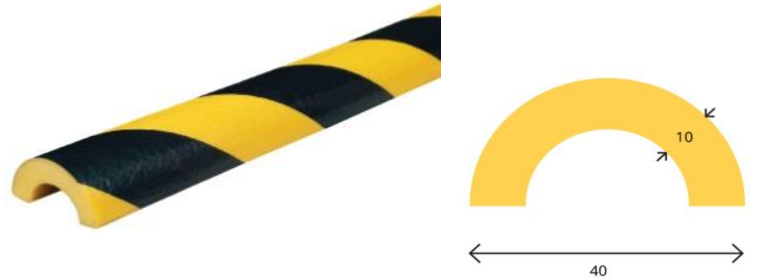

Number	Type
75DF130307M	Profile H length 1 meter
75DF130307G	Profile H length 5 meter

Type profiel R30

Half-round scale $\varnothing 20 \times 40$ mm thickness 10mm
Colour black/yellow for extra safety.
Mounting: tape

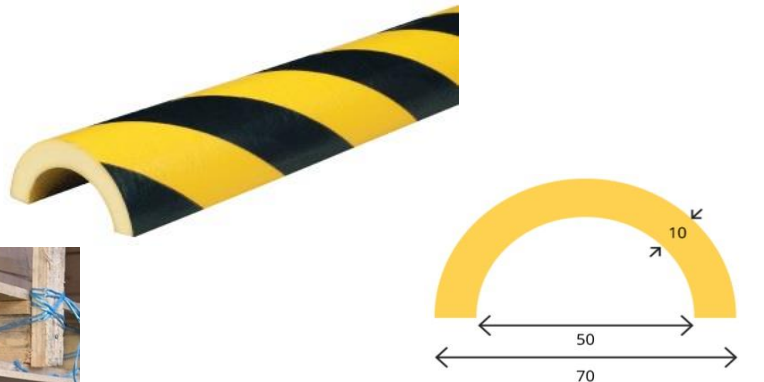

Number	Type
75DF130321M	Profile R30 length 1 meter

Type profiel R50

Half-round scale $\varnothing 40 \times 70$ mm thickness 10mm
Colour black/yellow for extra safety.
Mounting: tape

Number	Type
75DF130322M	Profile R50 length 1 meter

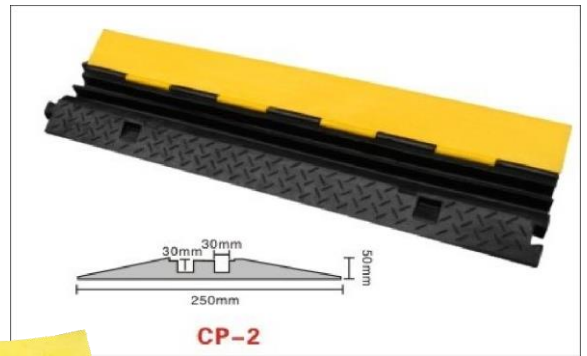

Cable protectors

Rubber cable protectors with a bright yellow color cover.
 For a safety passage on locations where cables are laying on the ground.
 Suitable for use in commercial and industrial applications.
 Can be connected to achieve the desired length.
 The material is synthetic rubber.
