CRC Acrylic Paints

CRC Acrylic Paint is a high quality paint that protects your surface while giving it an intensive, long-lasting colour.

Thanks to its unique combination of flexibility and hardness, CRC Acrylic Paint is very resistant to external influences, making it an excellent protection paint for a wide variety of hard surfaces throughout industries. It can be used on metal, paintable hard plastics, wood, concrete, paper, glass etc.

- Fast-drying: dust-dry after +/- 15 minutes
- Very good coverage
- Adjustable spray direction thanks to flexible nozzle
- Weather- and UV-resistant
- Shock- and scratch-proof
- For indoor and outdoor use
