

Fein Impact Drivers

Fein Cordless Impact Wrench/Driver ASCD 18-1000 W34 SELECT

Cordless impact wrench/driver with brushless motor and 6-stage torque setting. For metric screw connections up to M27. Fein brushless PowerDrive motor with 30% higher efficiency and long service life. Electronic 6-stage torque setting prevents screw heads from being torn off. High torque of up to 1.050 Nm. Maximum release torque of 1.500 Nm in reverse turning. Speed no load 0-1.800 rpm. Impacts 0-2.200. Tool holder 3/4" outer square for impact socket connection. Multivolt-interface. Tool works on all Fein Li-ion batteries (12-18V). 130 screw connections (M27) with one battery charge (6Ah). One charger for all Fein Li-ion batteries of all voltages.

Fein SafetyCell Technology. Protects the battery and tool from overload, overheating and total discharge. Restart protection and brake. Battery compatibility Li-ion/HighPower Li-ion, Battery interface Multivolt. Battery voltage 18V. **Supplied without batteries and charger (body only). Must be ordered separate.**

Article No.	Description	Screw Metric 8.8	Wood screw ø mm
54F71150864000	Fein Cordless Impact Wrench/Driver ASCD 18-1000 W34 SELECT incl. plastic carry case	M27	12x600

Fein Cordless Impact Wrench/Driver ASCD 18-300 W2 SELECT

Cordless impact wrench/driver with brushless motor and 6-stage torque setting. For metric screw connections up to M18. Fein brushless PowerDrive motor with 30% higher efficiency and long service life. Electronic 6-stage torque setting prevents screw heads from being torn off. High torque of up to 290 Nm. Maximum release torque of 320 Nm in reverse turning. Speed no load 0-1.700 rpm. Impacts 0-3.400. Tool holder 1/2" outer square for impact socket connection. Multivolt-interface. Tool works on all Fein Li-ion batteries (12-18V). 600 screw connections (M18) with one battery charge (6Ah). One charger for all Fein Li-ion batteries of all voltages.

Fein SafetyCell Technology. Protects the battery and tool from overload, overheating and total discharge. Restart protection and brake. Battery compatibility Li-ion/HighPower Li-ion, Battery interface Multivolt. Battery voltage 18V.

Supplied without batteries and charger (body only). Must be ordered separate.

Fein Cordless Impact Wrench/Driver ASCD 12-150 W8 SELECT

Cordless impact wrench/driver with brushless motor and 6-stage torque setting. For metric screw connections up to M14. Fein brushless PowerDrive motor with 30% higher efficiency and long service life. Electronic 6-stage torque setting prevents screw heads from being torn off. High torque of up to 135 Nm. Maximum release torque of 150 Nm in reverse turning. Speed no load 0-1.800 rpm. Impacts 0-3.600. Tool holder 3/8" outer square for impact socket connection. Tool works on Fein Li-ion 12V batteries. 400 screw connections (M14) with one battery charge (3Ah). One charger for all Fein Li-ion batteries of all voltages.

Fein SafetyCell Technology. Protects the battery and tool from overload, overheating and total discharge. Battery compatibility Li-ion

Supplied without batteries and charger (body only). Must be ordered separate.

Fein Cordless Impact Driver ASCD 18-200 W4 SELECT

Cordless impact driver with brushless motor and 6-stage torque setting. For universal screwdriving applications including self-drilling screwdriving. Fein brushless PowerDrive motor with 30% higher efficiency and long service life. Electronic 6-stage torque setting prevents screw heads from being torn off. High torque of up to 210 Nm. Maximum release torque of 230 Nm in reverse turning. Speed no load 0-1.500 rpm. Impacts 0-3.000.

Tool holder 1/4" hexagon socket for holding bits and socket wrench inserts. Multivolt-interface. Tool works on all Fein Li-ion batteries (12-18V). 600 screw connections 8x200 on one battery charge (6Ah). One charger for all Fein Li-ion batteries of all voltages.

Fein SafetyCell Technology. Protects the battery and tool from overload, overheating and total discharge. Restart protection and brake. Battery compatibility Li-ion/HighPower Li-ion, Battery interface Multivolt. Battery voltage 18V.

Supplied without batteries and charger (body only). Must be ordered separate.

Fein Battery pack 18V

Li-ion battery with charge status indicator and Fein SafetyCell Technology. Protects the battery and tool from overload, overheating and total discharge. Can be used with all Fein 18V cordless tools.

Fein Battery pack 12V

Li-ion battery with charge status indicator and Fein SafetyCell Technology. Protects the battery and tool from overload, overheating and total discharge. Can be used with all Fein 12 & 18V cordless tools with MultiVolt-interface.

Fein Battery Startset 18V and Fein Battery Startset 12V

2 pieces Li-ion battery with charge status indicator and Fein SafetyCell Technology. Protects the battery and tool from overload, overheating and total discharge. With rapid charger ALG 80BR, can be used with all Fein 12V and 18V tools. With USB port for mobile charging of small electronic devices. Charging time (80% maximum capacity) 12 and 18V / 3Ah: 31 minutes, 12 and 18V / 6Ah: 38 minutes and 18V / 5,2Ah: 33 minutes.
