

Pipe Wrenches Bahco

Swedish Pipe Wrenches Bahco Series 140/147

Heavy duty Swedish model 90° Pipe Wrenches with single component painted handle. Slim design of the head allows excellent accessibility in confined spaces compared to many other types of pipe wrenches. Gripping capacity up to 127mm (5") and a jaw opening up to 160mm (6.1/3"). Patented progressive teeth for better grip. Anti-rust treated high-alloy steel with induction hardened teeth. The nut can be blocked in the desired position with the adjustment screw. Safety stop prevents threading-off. Standard according to DIN 5234.
