KEYANG Electrical Hand (hammer) Drill DMV13K

Capacity 13mm, 650 watt, weight 1.65kg.
Speed 0-2800 rpm (no load), Impacts 0-44800 (no load).
Adjustable speed.
LED illumination.
Max. capacity in concrete 13.0mm.
Max. capacity in steel 10.0mm.
Max. capacity in wood 25.0mm.
Incl. plastic carry box and depth stop and side handle.

Article No.	Description
54K1040	Keyang DMV13K electric rotary hand drill

KEYANG Electrical Hand (hammer) Drill DMV16K

Capacity 16mm, 720 watt, weight 1.90kg.
Speed 0-3000 rpm (no load), Impacts 0-48000 (no load).
Adjustable speed.
LED illumination. Keyless steel drill chuck.
Max. capacity in concrete 16.0mm.
Max. capacity in steel 12.0mm.
Max. capacity in wood 30.0mm.
Incl. plastic carry box and depth stop and side handle.

Article No.	Description
54K1041	Keyang DMV16K electric rotary hand drill

KEYANG Cordless drill driver DD18BLW

Capacity 2-13mm, 18V - 2.0 Ah , weight 1.5kg (with battery).
Adjustable speed 0-500 / 0-1800 rpm., torque 55 Nm 16+1 levels.
LED illumination. Battery indicator, overload protection.
Brushless motor.
Reversed rotation, soft start.
Keyless metal chuck.
Incl. plastic carry box with 50 minutes charger and 2x batteries Li-Ion.
Separate body and batteries available.

Article No.	Description
54K1024	Keyang DD18BLW cordless drill driver set 18V 2.0 Ah
54K1025	Keyang DD18BLW BODY ONLY in box
54K1232	Keyang Battery 18V 2.0 Ah

KEYANG Cordless drill driver DD20BLA70C

Capacity 2-13mm, 18V (20V) - 5.0 Ah , weight 1.8kg (with battery).
Adjustable speed 0-550 / 0-2000 rpm., torque 70 Nm 16+1 levels.
LED illumination. Battery indicator, overload protection
Brushless motor.
Reversed rotation, soft start.
Keyless autolock metal chuck.
Incl. plastic carry box with fast charger and 2x high performance batteries Li-Ion.
Separate body and batteries available.

Article No.	Description
54K1512	Keyang DD20BLA70C cordless drill driver set 18V 5.0 Ah
54K1513	Keyang DD20BLA70C BODY ONLY in box
54K1235	Keyang High Performance Battery 18V (max 20V) 5.0 Ah

KEYANG Cordless (hammer) drill driver DD20BLH-100E

Capacity 2-13mm, 18V (20V) - 5.0 Ah , weight 1.8kg (with battery).
1000W high performance motor.
Adjustable speed 0-550 / 0-2000 rpm., torque 100 Nm 14+1 levels + hammer.
LED illumination. Battery indicator, overload protection.
Brushless motor, electronic clutch.
Reversed rotation, soft start. Kick-back control.
Motor cooling system for higher capacity.
Keyless autolock metal chuck. Quick mounting side handle
Incl. plastic carry box with fast charger and 2x high performance batteries Li-Ion.
Separate body and batteries available.
