Measuring Tools Welding Seam Gauges MIB Germany

MIB Welding seam gauges

Precision type for measuring of flat welding seams and welding seams in corners with angles 60°, 70°, 80°, 90°. Reading by vernier 1/10 mm. Made of stainless steel with scale and nonius satin chrome finished. Securing by set screw. Supplied in case.

Article No.	Range in mm	IMPA
33MI08085000	0 - 20	-

MIB Digital Welding seam gauges

Precision type for measuring of flat welding seams and welding seams in corners with angles 60°, 70°, 80°, 90°. Reading 0.01 mm or 0.0005 inch. Including 1,5V battery (type LR44) article 330200. On/Off function. Supplied in case.

Article No.	Range in mm	IMPA
33MI08085001	0 - 20	-

MIB Welding seam gauges

Welding seam gauges with 12 levels for measuring right angled welds from 3-12 mm. Made of mild steel, 12 blades. Sizes: 3, 3,5, 4, 4,5, 5, 5,5, 6, 6,5, 7, 8, 10, 12 mm.

Article No.	Range in mm	IMPA
33MI08085010	3-12	-

MIB Universal Welding seam gauges

Stainless steel, direct reading without vernier 1/10 mm. On-sided surface therefore measurement error avoidance. Supplied in case.

Article No.	Range in mm	IMPA
33MI08085005	0-20	-

MIB Universal Welding seam gauges

For measuring of height, width, size, angle and slot width of flat welding seams and welding seams in corners. Reading by vernier 1.0 mm. Satin chrome finished. In case.

Article No.	Range in mm	IMPA
33MI08085006	0-15	-

This is only a small part of the possibility we offer in precision measuring tools. Contact our product specialist for more info about all types from MIB Germany. Optional can MIB supply all DIN measuring tools with a certificate to VDI/VDE/DGQ 2618. Measuring tools manufactured at works standard will be certificated according to this norm. Calibrations will be done by an external calibration laboratory. Calibration orders can't be cancelled. Ask our product specialists for the cost for calibration certification of your ordered measuring tool. Digital info can be download from our website: <https://www.repairmanagement.nl/products/measuring-tools/>
