

# SKIPPER FOR OUTDOORS

## THE TOTAL SAFETY MANAGEMENT SOLUTION

**rmn**

Repair Management Nederland B.V.

More management less firefighting

### **UNIQUE AND VERSATILE - THE KEY TO A COMPLETE BARRIER SYSTEM -**

THE SKIPPER RANGE OF OUTDOOR SAFETY PRODUCTS ARE DESIGNED TO CREATE SAFE WORKING ENVIRONMENTS.

THE AWARD WINNING SKIPPER UNIT HAS 9M (30FT) OF HIGH VISIBILITY RETRACTABLE TAPE, MAKING THE MOST COST-EFFECTIVE AND EASY TO USE BARRIER ON THE MARKET.

WITH A FULL COMPLEMENT OF FANTASTIC ACCESSORIES, SKIPPER REALLY IS PERFECT FOR ANY ENVIRONMENT. ITS RANGE OF APPLICATIONS ALSO MAKE IT PERFECT FOR SECTORS SUCH AS TRAFFIC MANAGEMENT, CONSTRUCTION, MARITIME, FACILITIES MANAGEMENT AND SO MANY MORE.

## Skipper unit

Skipper is the unique way to cordon off any area, creating safer environments with high visibility retractable 9m (30ft) tape.

Number	Description	Height	Width	Depth	Weight
75DF130170	Skipper Unit	240mm	145mm	145mm	795g

## Skipper Rechargeable Safety Light

This environmentally friendly road light is a multifunctional LED warning light that is fully rechargeable. Also includes a light sensor for automatic activation. Conform to BS3143 part 2 1990.

Number	Description	Height	Width	Depth	Weight
75DF130181	Rechargeable safety unit	122mm	140mm	140mm	360g

## Skipper Road Cone

The Skipper Road Cone's incorporated helix deflects wind anyway and adds to its stability. It has twice the reflectivity of a standard road cone and can be used with an optional weight ring to add more stability.

Number	Description	Height	Width	Depth	Weight
75DF130178	Road Cone	750mm	555mm	555mm	5.4 kg
75DF130179	Weight ring	380mm	380mm	8mm	3.17 kg

## Skipper Post & Base System

The Skipper Post & Base System is a great alternative to a cone and can be used on both hard and soft ground thanks to its interchangeable base.

Number	Description	Height	Width	Depth	Weight
75DF130175	Post	750mm	555mm	555mm	5.4 kg
75DF130176	Base	na	na	na	1.22 kg
75DF130177	Alternative Spike base	261mm	130mm	130mm	1.22 kg

The Skipper Post & Base system are available in a range of standard colors. (green, grey, red, orange, yellow, blue)

## Skipper accessories

### Skipper Post & Base Collar

The Skipper Post & Base Collar attaches firmly to the post by simply sliding over the top and seating into position. It provides a strong platform for attaching the Skipper Recycle Bins, dispensers and hand sanitizer brackets.

Number	Description	Height	Width	Depth	Weight
75DF130191	Post & Base Collar	185mm	194mm	131mm	430g

### Skipper Suction Pad Bracket

Utilise the strength of the Skipper suction pad and attach it to a Skipper recycle bin or safety dispenser. Simply attach the suction pad to a high gloss or glass surface, then slide on the suction pad bracket.

Number	Description	Height	Width	Depth	Weight
75DF130192	Suction pad bracket	180mm	166mm	62mm	172g

## Skipper Wall & Magnetic Support Brackets

The Wall & Magnetic Support Brackets hold the Skipper unit in place without the need for a cone or post. Use to attach Skipper units to vehicles (magnetic version) or screw to walls for a more permanent fixture (wall version).

Number	Description	Height	Width	Depth	Weight
75DF130173	Wall support bracket	168mm	124mm	130mm	170g
75DF130174	Magnetic support bracket	168mm	124mm	130mm	275g

## Skipper Wall & Magnetic Receiver Clips

The Wall & Magnetic receiver clips allow the tape end to attach direct without the need for a Skipper unit or cone. Simply screw into the desired position (wall version) or attach to a magnetic surface (magnetic version).

Number	Description	Height	Width	Depth	Weight
75DF130171	Wall receiver clip	100mm	80mm	23mm	45g
75DF130172	Magnetic receiver clip	100mm	80mm	23mm	60g

## Skipper A4 Sign Holder

The A4 Sign Holder's functional design makes a great complement to the Skipper product range. Simply insert your A4 message into the polycarbonate sleeve, and slide into the robust U-shaped frame.

Number	Description	Height	Width	Depth	Weight
75DF130180	A4 Sign Holder	348mm	266mm	28mm	480g

# SKIPPER FOR INDOORS

## ON-SITE SAFETY AT YOUR CONVENIENCE

The SKIPPER XS range of products is designed for use in internal environments such as warehouses, factories and facilities management.

The XS unit has all the great versatility of the standard Skipper unit but attaches to a range of unique accessories that make it possible to connect to any indoor surface.

From high gloss and glass surfaces, to workshops, shelving, door frames and pillars, anything is possible.

### Skipper XS Unit

Designed for internal use, the Skipper XS unit has all the great versatility of the standard Skipper unit but is for use without cones or posts. Skipper XS also has the full 9 metres (30ft) of retractable tape.

Number	Description	Height	Width	Depth	Weight
75DF130184	Skipper XS Unit	126mm	145mm	145mm	700g

### Skipper XS Suction pad holder/receiver

This clamp holder/receiver is used to attach the Skipper XS unit and/or tape end to angular surfaces such as door frames, work surfaces and racking. It can be used in both horizontal and vertical positions.

Number	Description	Height	Width	Depth	Weight
75DF130185	Suction pad holder/receiver	45mm	78mm	117mm	65g

### Skipper XS Magnetic & Cord strap holder/receiver

As well as being able to attach to magnetic surfaces, this clip can also be tied to pillars using the provided "tourniquet" cord. It can hold the Skipper XS in place and receive the tape end.

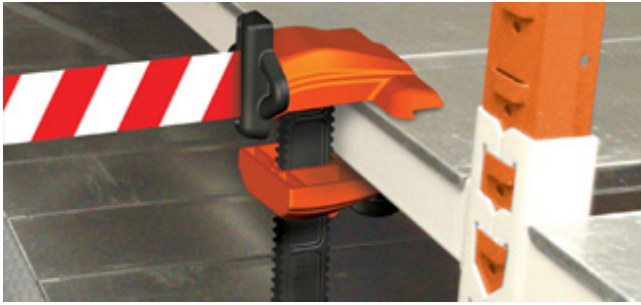

Number	Description	Height	Width	Depth	Weight
75DF130186	Magnetic & Cord strap holder/rec.	105mm	131mm	19mm	100g

## Skipper XS Clamp holder/receiver

This Clamp holder/receiver is used to attach the Skipper XS unit and/or tape end to angular surfaces such as door frames, work surfaces and racking. Simply position the clamp in place and turn the screw to tighten. The Clamp holder/receiver can be positioned either horizontally or vertically depending on the desired application.

Number	Description	Height	Width	Depth	Weight
75DF130187	Clamp holder / receiver	223mm	140mm	103mm	205g

## SKIPPER WASTE MANAGEMENT MODULAR WASTE MANAGEMENT CONNECT TOT SAFETY

The Skipper range of patent protected waste & safety management products provide a flexible and effective solution, with a wealth of fixing display options. Being compatible with existing Skipper products makes the waste & safety management range intuitive for people already familiar with Skipper, as well as newcomers.

The range includes recycle bins for multi-purpose waste & recycling use, a safety dispenser which provides easy access to safety equipment such as ear plugs and safety glasses, and a hand sanitiser bracket which hold any dispenser up to a diameter of 75mm.

### Skipper Recycle Bin

The Skipper recycle bin is a robust and durable attachment for multi-purpose waste & recycling use. It can attach to either the Skipper post & base system via its collar, the cord strap clip, the suction pad and the wall clip.

Number	Description	Height	Width	Depth	Weight
75DF130188	Skipper Recycle Bin	194mm	338mm	376mm	1.1 kg

### Skipper Safety Dispenser

The Safety Dispenser provides easy access to safety equipment such as ear plugs and safety glasses. It attaches to the Skipper post & base system via its collar and is available in a variety of colors.

Number	Description	Height	Width	Depth	Weight
75DF130189	Safety Dispenser	262mm	230mm	263mm	524g

## Skipper Hand Sanitiser Bracket

The hand sanitiser bracket holds standard pump dispensers. It can attach easily and securely to other Skipper products including the cord strap clip, suction pad, post & base collar and wall clip - as well the Skipper unit itself.

Number	Description	Height	Width	Depth	Weight
75DF130190	Hand sanitiser bracket	109mm	80mm	91mm	66g
