

WENCON Pipe Wrap Kit 8725

Wencon Pipe Wrap Kit

Repair Kit for most types of pipes

The Wencon Pipe Wrap Kit is designed to enable the crew to repair leaks on most types of pipes using the pipe-wrap method. Applying interchanging layers of Wencon coating and Wencon Reinforcement Tape will seal a leak and produce a strong temporary repair, that will last until replacement or more permanent solution is possible.

The Wencon Kit contains a full Wencon Manual with all kind of useful information about the products, technical information, surface preparation, many application data sheets to guide you easily with your repair and the Class Type Approval Certificates.
