Barbed wire

Wire thickness 1.70 mm with an Alu/zinc coating.
Each 10 cm a pin.

Number

Dimension

032001	Roll 50 meter
032002	Roll 100 meter
032003	Roll 250 meter
032004	Roll 500 meter

Razor Barbed Wire, also known as NATO wire

Razor Barbed Wire can prevent from climbing any pirate on board of your vessel.
Also as a temporary fence to protect your property.
Wire rope cutter is needed in case someone is stuck into this wire.

032020

Roll of 15 meter
